

ALDINGER WÜRTEMBERG GJA ALDINGER RESERVE 2018

How could this amazing Bordeaux blend be from Germany? Wonderfully deep and complex cabernet nose with stacks of blackcurrant and redcurrant, also moss, bark and savory. Very concentrated with great fine tannins supporting the ample structure. Enormous drive and finesse at the very long, complete and self-confidently dry finish. Climate change and new winemaking skills are the answer to my rhetorical question. Drinkable now, but best from 2025.
