Trinktemperatur 16-18 °C
Lagerfähigkeit 3-4

A southerner type of wine in the Swabian area. The Bentz Rot Cuvée is spirited and charming at the same time. Powerful dark fruit, a juicy, slurpy body and grippy tannins make this cuvée an all-rounder for every evening. BENTZ ROT is based on various Cabernet varieties in combination with a proportion of Zweigelt and a hint of Lemberger.
