**Trinktemperatur** 10-13 °C

**Lagerfähigkeit** 8-13 Jahre

Complexity meets minerality in this wine. This VDP.ERSTE GEWÄCHS® is smoky, racy and multi-layered. Rich aromas of pineapple, grapefruit and blood orange are combined with an ethereal, minty freshness. The pronounced maritime salinity is an excellent reflection of the Untertürkheimer Gips terroir. These impressions are complemented by the wide-awake ethereal freshness and a fine reduction note.
