<b>Ausbau</b>	100 % stainless steel tank

**Trinktemperatur** 10-16 °C

**Lagerfähigkeit** 2-3 Jahre

The Swabian classic for local food and for all moments that call for a supple, juicy and fruity companion. This vintage announces itself on the nose with ripe strawberry, plump black cherry and notes of lavender blossom and bitter almond. On the palate, this beautiful red fruit impresses again with a dry finish, a gentle acidity structure and a delicate body. With this line, we support Nature Life International in the creation and preservation of habitats in the vineyard.
