Säure	7,1 G/L
Ausbau	90 % Stainless Steel and 10 %Barrique, on the yeast till march
Trinktemperatur	9-10 °C
Lagerfähigkeit	6-1 Jahre

This year, our Sauvignon Blanc shows its sunny, yellow-fruity side. On the nose, there are notes of ripe gooseberry, pink grapefruit and kiwi. On the palate, the Sauvignon reveals its seductive exotic facet with mango and passion fruit. The fine salty minerality and a pinch of green spice give this wine an impressive balance. The long finish is rounded off by the present and harmoniously integrated acidity.
