| Säure | 9,9 G/L |
| Ausbau | Stainless Steel |

Trinktemperatur 8-10 °C

Lagerfähigkeit 10-15

On the nose there are notes of fine, peppery botrytis, as well as ripe stone fruit with a hint of exotic passion fruit. The spicy spiciness returns on the palate and combines with aromas of mirabelle plum jam, honey and orange zest to create a silky mouthfeel and strong body.
