Säure	8 G/L
Ausbau	70% 500 l oak, 30% stainless steel

Trinktemperatur 8-10 °C

Lagerfähigkeit 4-7

A showpiece wine from our unique Untertürkheimer Gips monopole vineyard, which is responsible for its unmistakable minerality. The result is this straightforward Riesling with a crystal-clear character, precise acidity and animating freshness. On the nose, this wine captivates with subtle aromas of verbena, jasmine and juicy clementine as well as a delicate smoky reduction. The palate reveals typical Riesling aromas of yellow stone fruit and lime as well as salty, almost chalky mineral notes.
